

Key Winery Facts

Overview: Founded in 2003, A.P. VIN crafts small-lot Pinot Noirs from some of the finest vineyard sites in California. Founder/Winemaker Andrew Vingiello partners with passionate grower families and is dedicated to crafting delicious wines made in very limited production that showcase the very best in new world California Pinot Noir.

Single Vineyard Designates:

The winery crafts small lots of single vineyard wines. Available in very limited amounts, these wines showcase the extraordinary individual character of a single vineyard site.
