2016 GARYS' VINEYARD PINOT NOIR

APPELLATION: Santa Lucia Highlands

REGION: Monterey County

Garys' Vineyard is a partnership between Gary Francioni and Gary Pisoni. Both families' roots in the Santa Lucia Highlands are quite deep. Their families have farmed this area for over 100 years. Recognizing the region's potential for premium wine grapes, the Garys turned their focus to viticulture, and partnered on the Garys' Vineyard in 1997. This famous V-shaped, 50-acre vineyard is on the eastern side of the Santa Lucia Highlands, and is influenced by the cool ocean breezes and fog that blow through the Carmel and Salinas Valleys.
